GRADUATION CEREMONIES HELD SATURDAY AT F.M.H.S.

Saturday's graduation exercises at the Frank Maddock High School in Drayton Valley brought to a close the public school careers of 51 young people of the town and district.

The graduands were honoured at an afternoon ceremony that was well attended by parents and guests.

Rev. Robin Oldring opened the ceremony with a graduation blessing, followed by an opening address

by Mr. Frank Maddock, long-time chairman and member of the school division board.

Proceedings were very capably conducted by M.C.'s Heather Ramshaw and Larry Wall who introduced several speakers including: Mr. M. Holman, Superintendent of the County of Parkland school system; Dean Meraw, Chairman of the Separate School Board; Mr. John Braybrook, a recent graduate of F.M.H.S.; Mrs. L. Ross, of the school teaching

staff; and Students' Union President Jim Tucker.

A special honors award for high academic achievement was presented to Miss Janine La Branche by Mr. George Mann, Chairman of the County of Parkland School Committee. The senior class picture was presented to Principal Ritchie Woods by Miss Bev Miller.

Valedictory speech was delivered by Miss Janine La Branche.

Graduates were seated during the afternoon's exercises in a half-circle facing the audience and stage. The auditorium was beautifully decorated for the occasion.

Climax of the afternoon was the presentation of diplomas by Mr. Woods assisted by Vice-Principal, Mr. Orest Haydey.

The evening program, also in the school auditorium and again chaired by M.C.'s Ramshaw and Wall, featured a smorgasbord dinner following introduction of head table guests and the blessing by Fr. E. Lynch.

The gathering dined by candlelight at small group tables spotted throughout the hall.

Taking part in the evening program were: best wishes to grads by Mr. Doug Hall, with acknowledgement by Mr. Don Whelan; thanks to parents by Miss Irene Wolsey with appreciation offered by Mr. R. B. Smith; introduction and appreciation to teaching staff by Miss Louise McColman, acknowledged by Mr. Orest Haydey; recognition of the school committee by Mr. Doug Smith, responded to by Mr. George Mann, Chairman.

Tom and Tony Magee presented the Class of '71 Will, and the last words of good wishes to the graduates were offered by Principal Mr. Ritchie Woods.

Members of the graduation class were: Bain, Roger John; Dusterhoft, Norman Rudolf; Eustace, James Robert; Freier, Monika; Gard, Edwin John; Geddes, Janice Lynne; Gusek, Irene Marie; Hopfe, Richard Dwain; Kerr, Jill Elaine; LaBranche, Janine Wynne; Mayer, Dwayne Harry; McGee, Thomas Maurice; Meraw, Joy Elizabeth; Reich, Linda Sharon; Ryan, Heather Ann; Smith, Doug de Herries; Sommers, Lloyd Herman; Tucker, Norman William; Fink, Kenneth Harold; Gamble, Gregory Donald; Getzinger, Lee William; Hansen, Glenn Daniel; Henkel, Shirley Anne; Ibbotson, Douglas John; Kaczor, Zenor Basil; Kusio, Judith Ann; Lindsey, Terry Gale; McColman, Louise Joy; McGee, Toni Maureen; Metzger, Gregory Paul; Miller, Beverly Gwyneth; Oscar, Barry Donald; Pajak, Rick Lynn; Ratzlaff, John Edward; Samis, Neil Herschell; Seutter, Marlene Helga; Swenseid, Arlene Marie; Tucker, Jack William; Vowk, Roger Gene; Wardlow, Vikki Lynne; Whelan, Donald Edward; Witse, Garry Hayes; Sieben, Elaine Audrey; Waugh, Alistair Grant; Wilkes, Judy Ellen; Wolsey, Irene Esther Louise; and Hale, James Arthur.

Highlight of the dance that followed to complete the day was the entry and introduction of grads and their escorts.

MAYOR RE-ELECTED; OCTOBER ELECTION FOR OTHER POSTS

At the close of nominations at noon Wednesday, September 15th Mayor Lloyd MacLean was re-elected by acclamation and eight candidates named to contest six council seats. An election is also required to fill all other posts on community elective bodies.

Five incumbents are seeking re-election to town council, with only one member of the present council, Mr. Claude Albert, deciding against running again.

Seeking re-election to council are Mrs. C. Waugh, R. Mayhew, M. Helm, R. B. Smith and R. J. Huber. Three new candidates are Richard McDonald, Kenneth Machan and Alex Zubot.

The position of School Trustee on the County of Parkland School Committee is being contested by incumbent J. W. Tyler and Cornelia Krabbe.

Four candidates have been named to contest the three seats on the Drayton Valley Municipal Hospital Board; they are Howard Cathrea, and incumbents, W. G. Johanneson, D. G. McKenzie and H. T. Deby.

The Drayton Valley Separate School District requires five trustees and nine candidates have

been named to contest the election. Candidates are Emile Lambert, A. J. Telford, Hans Lerner-meyer, George Comeau, Frank Novosel, James Koelmstedt, Dennis J. Reid, Allan Malloy and Mrs. E. A. McGee.

All posts will be filled at a municipal election on Wednesday October 13th.

Voters will also be polled in a plebiscite during the municipal election seeking their opinions on organized minor sports on Sunday mornings.

Name Master Farm Families

Alberta minister of agriculture, Hon. Hugh M. Horner, has announced the names of five families who have received Master Farm Family awards for 1971. They are the Herman Linder family of Cardston; the Roy J. Graham family of Olds; the Ellwood Thompson family of Innisfail; the Laurence Teasdale family of Paradise Valley and the Arthur Pahal family of Nisku. Each of the families selected will receive a cheque for \$1000, a suitably engraved plaque and a gate sign. Their names will be added to the list of 77 other Alberta farm families who have received the coveted award since 1949.

To be eligible for this award a family must have spent at least ten consecutive years in actual operation of a farm, must be Canadian citizens and must be nominated by at least three neighbors. Nominees are considered first on a district basis, then at a regional level and finally by a provincial committee appointed by the minister of agriculture.

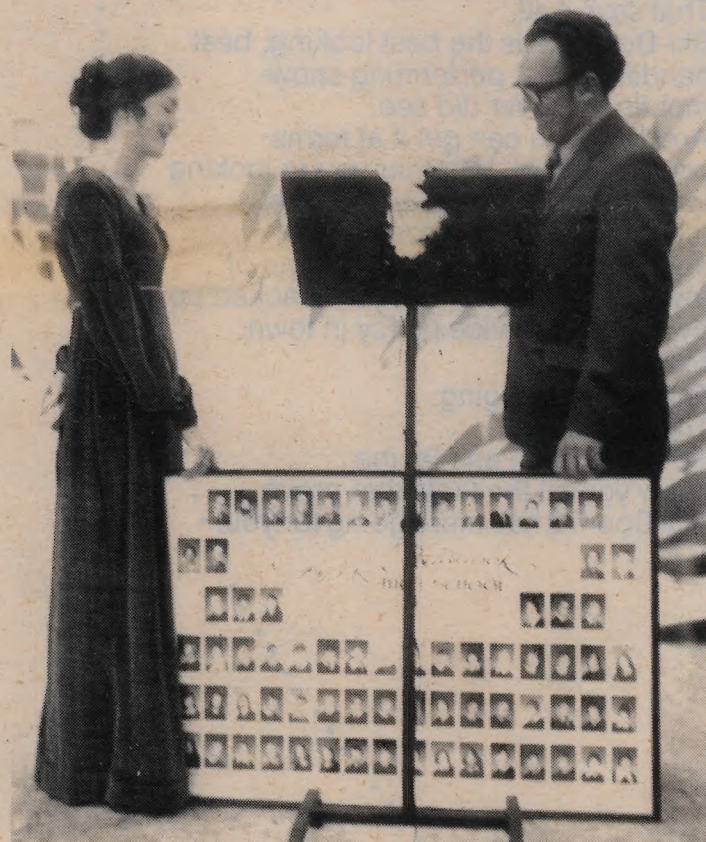

The awards are intended to honor Alberta farm families who have achieved notable success in farming, homemaking and citizenship, and to emphasize the advantages of farming as a life style.

Rotary Hears Town Affairs

Mayor Lloyd MacLean and several members of Town Council were present at last week's meeting of the Drayton Valley Rotary Club to bring members up-to-date on various facets of town affairs.

Mr. MacLean was accompanied by Councillors Bob Huber and Claude Albert. Rotarians Bob Mayhew and R. B. Smith, who are also members of Town Council, also took part in the program.

A wide-ranging discussion was held following brief introductory addresses by council members. Topics included the new water system, recreation, financing and a host of others. Club members were given the opportunity of asking questions on any subject pertaining to town business.

Mobile Xray Clinic Here in October

Tuesday, September 14th, representatives from some of the local organizations in this community met with Mr. Frank Teepell of the Alberta Tuberculosis and Respiratory Disease Association to set the wheels in motion to have a mobile chest x-ray clinic in Drayton Valley sometime late in October.

This clinic will also be located at various other towns in the Edson Health Unit including Lodgepole and Evansburg.

In the next few weeks, prior to October 7th townspeople here will be registered on a door to door basis. Rural people may be contacted by phone.

This clinic is for adults and those 16 years of age and over no longer at school. It is not for pre-school age children.

The purpose of the service is to control and detect Tubercul-

osis, Plurisy, Emphysema, Lung Cancer, Tumors and Heart conditions.

As it is four years since this service was in Drayton Valley it is hoped that citizens will take advantage of this service provided for by the sale of Christmas Seals.

Please watch this paper for further information as it is available as to dates and exact locations.

CUB, SCOUT MOTHERS PLAN MEETING

The Cub and Scout Mothers Auxiliary will hold a meeting on September 27th at the Scout Hall at 1:30 p.m. The purpose of this meeting is to discuss the Skate and Bake Sale.

Some of the guests at last Saturday's graduation ceremony are shown above. In the front row, from the left are, Mrs. Tyler, Mr. Jack Tyler, School Trustee, Mr. Frank Maddock, Former Chairman of the School Board, and Mr. John Braybrook. Others visible from the left are Chairman George Mann (behind Mrs. Tyler) Superintendent M. Holman and Councillor Ivan Vowk, Mr. Darwin Park and Principal Mr. Ritchie Woods.

CARNWOOD NEWS

Deepest sympathy from the community is extended to Mrs. Wilfred Bevan and family; Mr. and Mrs. Tom Bevan and Les and Mr. and Mrs. Mervin Bevan and son.

To Mr. Julian Lachance and Francis and family on the loss of wife, mother, and grandmother, deepest sympathy of the community.

The Camwood Country Club held the annual Old Timers' Night on September 8th with 41 present and 21 over 70 years attending. It was nice to see Miss P. Chapman of Vancouver, B.C. reminiscing with old friends. The evening was spent playing bingo and enjoying some old time

music played by Bill Shipton, Rodney and Mrs. Gwen Mayr. A vote of thanks goes out to them. The evening closed with a delicious lunch served by hostesses, the Country Club Ladies. Don't forget we'll be looking for you all next year.

Congratulations from the community to Mr. and Mrs. Dale Manning (nee Nancy Burris) who were married on September 10th. Also to Mr. and Mrs. Marvin Thyre who were married on Saturday, September 11th.

Mr. George Colby is taking therapy treatment in Edmonton.

Mr. and Mrs. Joe Saunders and family of Edmonton were visiting at the home of Mr. and Mrs. Vic-

tor Saunders.

We hear Mrs. Foster is coming along nicely in the Royal Alex Hospital.

Get well wishes to Mrs. Ethel Hayes who is under the weather with a case of pneumonia.

Submissions Still Requested

Alberta's new minister of agriculture, the Hon. Hugh Horner, announced last week that he wants individuals and groups involved with agriculture to continue to submit their opinions and views on the Tradition and Transition Report as was arranged by the previous government. He said that the deadline for these submissions is still October 31.

The Tradition and Transition Report was compiled by a group of consultants and tabled at the last session of the legislature. It contains a wide range of recommendations on extension education for the modern farmer.

Mr. Horner reiterated the past government's stand that none of the recommendations in the report will be made government policy until farmers and agricultural organizations have had an opportunity to express their views on them.

All opinions on the report's recommendations should be sent to the office of the Minister of Agriculture, Legislative Building, Edmonton.

Oil Wives Start Fourteenth Season

The first regular meeting of the Drayton Valley Oil Wives was held in the Cardium Room recently with 69 regular members, 15 new members and 12 guests present.

An interesting talk was given by Doug Barnes on the cooking course that he took at N.A.I.T. and questions from OilWives were then answered by Doug.

An election was held for a new Treasurer as Faye Flemming has moved to Edmonton. Successful candidate was Val Swenseid.

A Summer Farewell dance is planned for October 15th. Supper will be from 7:00 p.m. to 8:00 p.m. and "The Senators" from Wetaskwin will supply the music. Tickets are \$6.50 a couple and can be purchased from Myma Townsend, Mac Barker, Matador Motel or Coin Electric. Dress is casual.

Belated congratulations to Helen Paley who received her five year membership pin in June.

Next meeting will be on October 18th in the Cardium Room. Program chairman, Lorraine Cus-

tance, has left the wearing of Halloween costumes up to the individual.

Rotary Plans Annual Auction

The Drayton Valley Rotary Club will hold its annual auction sale on Monday, October 1st at the I.G.A. parking lot. Wendy Sekura has again volunteered his services as auctioneer.

The auction is an annual undertaking by the club to raise funds which go back into the community in improvements to parks, playgrounds and community services.

Members of the club solicit the help of town residents who may have toys, tools, appliances, furniture or other articles (except clothing) that they would donate for the community benefit.

Pick-ups will be made on September 29th and 30th and anyone with contributions may phone 542-3161, 542-3985 or 542-4008

Summary Regular Meeting Parkland County Council

Minutes of regular meeting of the Council of the County of Parkland No. 31, held in the county office at Stony Plain, Alberta on Monday, September 13. Minutes as recorded by secretary and not yet adopted.

Members present were Reeve Leslie N. Miller, Deputy-Reeve Rudolph Zander, Councillors Peter Bakker, George Mann and Ivan Vowk.

Mr. Daryl Hutchings of P. S. Ross and Partners, Management Consultants was present at the meeting and presented to Council the report of salary administration and position description, which he was retained to prepare. Mr. Hutchings dealt briefly with the report with emphasis on some portions. Copies of the report were distributed to the members of Council for study and further consideration.

The meeting adjourned for lunch at 12:00 noon and reconvened at 1:20 p.m. with all members present including Councillor Robert A. Bailey but excluding Councillor Roy Lent.

Miss Margaret Larsen of RR 2, South Edmonton was present at

the meeting and requested a firm indication of what uses would be allowed on her land at Acheson, Pt. NE 4-53-26-4 (0.92 acre), as she wishes to sell this land. It was agreed that the file pertaining to previous development applications with respect to this parcel of land be checked and a reply forwarded to Miss Larsen.

The minutes of the last regular meeting held on August 23rd and special meeting held on September 3rd, copies of which were forwarded to each Councillor, were adopted.

Proposed local boating restrictions for Jackfish Lake tabled for further consideration.

It was agreed that the recommendations contained in the petition be approved on the condition that any proposed markings be subject to Council approval.

It was agreed that the existing "Yield" sign at the south-east corner of the SE 18-53-25-4 be replaced with a "Stop".

By-Law No. 32-71 authorizing the borrowing of an additional \$75,000.00 for the purpose of financing the County's share of the cost of a water transmission pipeline from the City of Edmonton received first reading.

Progress requisition No. 4 in the amount of \$19,533.00 for construction of the office addition was approved for payment.

REQUEST FOR PORTABLE PUMP

Letter dated September 3rd from the Town of Devon was presented to Council requesting the County to provide the Devon Fire Department with a portable pump for use in controlling County grass fires.

It was agreed that the Devon Fire Department be provided with a portable pump as requested.

A public hearing was conducted in connection with an application to establish a mobile home park in the NE 1-53-26-4.

No objections, written or verbal, were received to the application. One letter was received requesting information in connection with the application and one resident was present at the hearing to enquire whether the development would be completely fenced.

Mr. Allen Ische of Burroughs Business Machines Ltd. was present at the meeting to inform Council of a new Model L5000 Magnetic Record Computer that has been introduced and will eventually replace the E4000 Business Machine. Since Council, earlier in the year, authorized purchase of an E4000 Business Machine the Burroughs representative attended to recommend that the order be changed to an L5000 Magnetic Record Computer.

It was agreed that the order for a machine be changed as recommended and that purchase be made of a Burroughs L5000 Magnetic Record Computer with automatic ledger card reader for the sum of \$32,090.00.

Plans providing for the installation of pipelines from the SW

33-48-7-5 to the SW 5-49-9-5 and from the NW 22-49-10-5 to the SW 2-50-10-5 by Texaco Exploration Canada Ltd. were approved subject to the condition that all improved road crossings be augered and not trenched.

Mr. Cece Armstrong, Assistant Regional Recreation Director was present at the meeting and presented to Council the Master Facility Development Plan of the Parkland Regional Recreation Council.

It was agreed to accept this plan and that any surplus funds for capital recreational facility development be carried over to next year's program.

Mr. Adolph Shep, overall County Fire Chief and Mr. G. Armstrong of Saskatoon Fire Engine Co. Ltd. were present at the meeting to discuss with Council fire fighting equipment requirements. Under discussion was a recent declaration that approvals by the U.S. Bureau of Mines, the N.F.P.A. and the U.L.C. have been withdrawn on the all-service (smoke) mask, canister type.

The minutes of the last quarterly meeting of Fire Chief held at Entwistle on August 26th were presented to Council.

It was agreed that the contents of the minutes be referred to over all fire chief Adolph Shep for recommendation.

Mr. Jacob Unterschultz of Stony Plain was present at the meeting and requested ditching in the E $\frac{1}{2}$ 19 and E $\frac{1}{2}$ 30-52-27-4 to improve drainage on these lands. A survey report from the Department of Water Resources was on hand in this connection.

This matter was referred to the Public Works Manager for inspection and investigation as to possible complaints that may result from any ditching.

SUB-MITS FROM THE ELEMENTARY SCHOOL

This week's column will take the form of advantages and disadvantages of being in an "outpost". Six teachers are in this category. Mr. Betton, grade six is in the Separate School, Mrs. Huska, Grade six, is in the Baptist Church, Mrs. Letwiniuk and Mr. Smeland, grade six, both in the arena, Miss Bolstler, grade four, in the Church of God and myself, Olga Brown in the Anglican Church.

After the initial task of moving we found ourselves with many disadvantages. Mr. Betton, as vice-principal, found himself teaching in a different school altogether. It was necessary to move reference books and materials. Children have no access to library facilities. There is a limited chalkboard space. Some teachers have no bulletin board available. There is almost no easy access to Science and Audio Visual equipment. Most of the improvised classrooms are small so janitor up-keep is difficult.

The small classrooms also make for crowded conditions in the room. Storage for extra books or art materials is difficult. And lastly the teachers are finding it difficult to develop the necessary rapport with the rest of the staff for efficient teaching.

Partially to balance these facts are a few advantages. The teachers have only their own students to supervise which permits them to get to know their students better. There are few interruptions. Class work and lessons are taught according to need and not according to the buzzer. Mr. Betton is getting to know the Separate School teachers. It is nice to dismiss all the children at the same time and not wait for the buses to pull out. Several classes have beautiful paved or grassy play areas for the children to play in.

Finally the teachers and students appreciate the loan of these facilities. It was a desperate situation a few weeks ago, and you have helped us out. Thanks.

Funeral for Mrs. Smithinsky

Funeral services were held in the Emmaus Lutheran Church on Wednesday, September 15th for Mrs. Otilia Smithinsky, 63, who passed away in the Drayton Valley Municipal Hospital on Monday, September 13th after a lengthy illness.

Mrs. Smithinsky was pre-deceased by her husband in 1950. She is survived by two sons, Harold and George of Violet Grove; five grandchildren; three sisters and one brother.

Born Otilia Cybucka in Libnow, Poland, she immigrated to Canada in 1929 and worked in Saskatchewan before moving to Edmonton when she married Abraham Smithinsky on May 7, 1932.

The couple left Edmonton with a borrowed truck loaded with provisions and their belongings for their homestead at Violet Grove. The mud soon became too much for the truck and with the help of neighbors and a team the couple reached their destination.

Almost as soon as they reached the homestead Mrs. Smithinsky began carving a garden from the wilderness with grubhoe and shovel.

With a shorthorn bull, Mike, and a grey horse hitched to the plow, Tillie and Abe began farming. After the death of her husband in 1950, she remained on the farm until the time of her death.

Mrs. Smithinsky fondly recalled many times the hardships of early days on the homestead. Her dog, Kootzer, was used to pack groceries from the store at Violet Grove and to carry the baby when she visited neighbors.

Report From Parliament Hill

By Allen Sulatycky, M.P.

Before Parliament now is Bill C-259. When passed, this legislation will bring about the most comprehensive reform in the income tax system since it came into being in 1917. Discussions which paved the way to the planning of this Bill began almost a decade ago.

The recognition then that there were serious defects in the system led to the appointment of the Royal Commission on Taxation, with the late Kenneth Carter as Chairman. Following the report published by the Commission in 1967, a vigorous public debate arose. The recommendation for fundamental changes in the existing laws, and the reaction of the public to it, led to the introduction almost two years ago of the White Paper, "Proposals for Tax Reform". This paper invited public debate and response by stating that the Government "believes that taxpayers and those who represent them in Parliament and in provincial legislatures should contribute actively at an early stage to the formulation of policies that so directly and vitally affect them" The extent of public contribution, and the Government's sincerity in invit-

ing it are shown by the changes evident in the Bill which have been brought about since the White Paper proposals.

Although Bill C-259 deals with all types of taxes, the most interesting to us is that part which concerns personal income tax. A variety of changes are proposed here.

Personal exemptions will be raised to \$1,500.00 from \$1,000. for single persons, and to \$2,850. from \$2,000.00 for married persons. Child care expenses will

be deductible up to \$500.00 per child under 14, with a maximum of \$2,000.00 per family.

Broad deductions for the expenses of moving to a new job will be permitted, as will deductions of up to \$150.00 for employment expenses. The existing \$500.00 extra exemption for persons 70 years and over is increased to \$650.00 and extended to all persons 65 and over. This, and the removal of the Guaranteed Income Supplement from taxable income means that all single taxpayers 65 and over will be exempt on \$2,250.00 of income. Altogether, it is foreseen that one million people who would have paid taxes next year will be removed from the tax rolls. Taxes will be reduced for 4,700,000 and be changed by less than one percent for another two million Canadians.

Space permits only these highlights to be mentioned here. If you would like a comprehensive report of the new tax legislation, please write me at the House of Commons.

LEGISLATIVE REPORT

By Kevin Peterson and Don Sellar (Of the Calgary Herald)

Premier Peter Lougheed has decided to tackle Alberta's political problems with the largest cabinet in provincial history.

He has selected a 22-member cabinet dominated by urban members to cope with a vast array of issues, increasing the executive council's size by 5 from the days of Social Credit.

Although 15 cabinet ministers represent urban ridings in the Legislature, the 43-year-old Tory premier has been careful to designate his rural lieutenant, Dr. Hugh Homer, as deputy premier and minister of agriculture.

The appointment recognizes three important factors: Mr. Lougheed's trust in Dr. Homer's political advice, the need for strong provincial initiatives in the lagging agricultural industry and the changing role of premier.

"Dr. Homer, as deputy premier, will be able to handle various delegations to the government from time to time, and thus permit me to travel extensively across the province to increase my awareness of the people's needs and priorities on a personal contact basis," Premier Lougheed explained the day his government

formally took office.

The new Tory premier wasted little time re-organizing the cabinet to suit his objectives. He created new portfolios of advanced education as well as federal and intergovernmental affairs, and doubled the number of ministers-without-portfolio.

Premier Lougheed appointed all nine of his Tory colleagues

Editorial — Comment

Election Interest

The three-year election plan appears to have created a little more interest in local politics with elections this year for all posts other than the Mayoralty which saw Mr. MacLean returned by acclamation. We believe the system will prove its worth over the years with elected bodies renewed at regular intervals, rather than the former system of staggered terms of office.

In any case, the lines are drawn for this year's election. Candidates have been named and their fate is in the hands of residents who will go to the polls on October 13th.

Good Luck, Grads

Another group of young people completed their public school term at graduation exercises Saturday and have now embarked on careers in the work-a-day world or furthering their education.

The unfortunate aspect of graduation is the loss to the community of many of these young people who must go afield to follow their chosen careers. Despite the fact that we are loath to see them go, they have our best wishes for the future.

The world is waiting for bright young people ready to pick up the reins for those who are tiring, and ready to reward those who measure up.

We pass this way but once, so aim high and let the world know you're ready to leave your mark.

from the old Legislature to occupy front-bench seats in his government.

Don Getty, onetime Edmonton Eskimo quarterback, won the new ministry of federal and intergovernmental affairs, while Edmonton lawyer Lou Hyndman assumes the education portfolio as well as the post of government House leader.

Gordon Miniely, an accountant, is only 31 but finds himself in the position of provincial treasurer entrusted with the task of defending a spending program totalling \$1.2 billion this year.

Calgary lawyer Mervin Leitch is expected to assume an influential position in the cabinet when he takes his place in the Legislature for the first time as attorney-general.

For Calgary architect David Russell, the Tory election win means he moves from the post of urban affairs critic to municipal affairs minister.

Other cabinet ministers and their portfolios are as follows: Neil Crawford, minister of health and social development; Dr. Bert Hohol, minister of labor and

manpower; Bill Yurko, minister of the environment; James Foster, minister of advanced education; Bill Dickie, minister of mines and minerals; Len Werry, minister of telephones and utilities; Dr. Winston Backus, minister of public works; Fred Peacock, minister of industry; Clarence Copithorne, minister of highways; Dr. Allan Warrack, minister of lands and forests; Horst Schmid, minister of culture, youth and recreation; Miss Helen Hunley, minister-without-portfolio; Bob Dowling, minister-without-portfolio responsible for tourism; George Topolnisky, minister-without-portfolio responsible for rural development and A1 "Boomer" Adair, minister without-portfolio responsible for northern development.

The new government already is at work getting organized for the Legislature session expected to begin in February, and Mr. Lougheed will hold his first caucus as premier Sept. 22 in Edmonton, when he hopes to set up a special agriculture policy committee to advise Dr. Homer in the months ahead.

The Good Old Days?

This article appears in the "Assignment" Spring 1971 issued by Office Overload.

OFFICE RULES IN 1852

With conditions of employment very much a topic of conversation, a document headed "Office Practices" and dated 1852, found in a building recently demolished, makes interesting reading: Godliness, Cleanliness and Punctuality are necessities of a good business.

This firm has reduced the hours of work, and the Clerical Staff will now only have to be present between the hours of 7 a.m. and 6 p.m. on week days.

Daily prayers will be held each morning in the Main Office. The Clerical Staff will be present.

Clothing must be of a sober nature. The Clerical Staff will not disport themselves in raiment of bright colours, nor will they wear hose unless in good repair.

Overshoes and top-coats may not be worn in the office, but neck scarves and headwear may be worn in inclement weather.

A stove is provided for the benefit of the Clerical Staff, coal and wood must be kept in the locker. It is recommended that each member of the Clerical Staff bring 4 pounds of coal each day, during the cold weather.

No member of the Clerical Staff may leave the room without permission from Mr. Rogers. The calls of nature are permitted, and Clerical Staff may use the garden below the second gate. This area must be kept in good order.

No talking is allowed during business hours.

The craving of tobacco, wines or spirits is a human weakness and, as such, is forbidden to all members of the Clerical Staff.

Now that the hours of business have been drastically reduced the partaking of food is allowed between 11:30 a.m. and noon, but work will not, on any account, cease.

Members of the Clerical Staff will provide their own pens. A new sharpener is available on application to Mr. Rogers.

Mr. Rogers will nominate a senior Clerk to be responsible for the cleanliness of the Main Office and the Private Office, and all Boys and Juniors will report to him 40 minutes before Prayers and will remain after closing hours for similar work. Brushes, Brooms, Scrubbers and Soap are provided by the owners.

The New Increased Weekly Wages are as hereunder detailed:

Junior Boys (to 11 years)	.15
Boys (to 14 years)	.25
Junior Clerks	1.05
Senior Clerks (after 15 years with the owners)	2.50

The owners recognize the generosity of the new Labour Laws but expect a great rise in output of work to compensate for these near Utopian conditions

Summary Regular Council Meeting

Cont. from Page 3

It was agreed that all members of Council, the Secretary-Treasurer and the Assistant Secretary-Treasurer be authorized to attend this convention with expenses and fees payable at established rates.

Three tenders were received for construction of the road W/NW 31-50-27-4 and S/SE 5-51-27-4.

It was agreed that the low tender of Fred Miller Construction Ltd. of Mayerthorpe for the amount of \$9,962.00 be accepted.

Notice received that the Edmonton District Emergency Measures Committee Meeting will be held in Edmonton on Friday, October 1st. Two elected representatives were invited to attend this meeting.

It was agreed that Councillors Bakker and Mann be delegated to attend this meeting.

The 1971 Requisition of the Edmonton Separate School District in the amount of \$579.00 was accepted.

PROPOSED ANNEXATION TOWN OF DRAYTON VALLEY

Letter dated August 18th from the Town of Drayton Valley was presented to Council, requesting approval to annex parts of Sections 5 & 17-49-7-5.

It was agreed that this matter be dealt with at the Interim Development Board meeting on Wednesday, September 15th, 1971.

A delegation from Wabamun consisting of Messrs. Wm. Purdy, Larry Burton and G. F. Tranter were present at the meeting concerning extension of the sewer main to the Wabamun Arena.

Mr. Purdy also questioned Council in connection with the proposed relocation of the Wabamun nuisance ground and a complaint he received from Mr. K.A. Lutz regarding a dust problem.

It was agreed that extension of the sewer main to the Wabamun Arena be considered as part of the cost of the arena project and included in the cost-sharing

agreement for the project.

Request for oiling of the road west of section 4 & 9-53-3-5 was received from Mr. A. O'Hara of Duffield. This request was referred to Councillor Mann for investigation and recommendation.

Letter dated July 19th from the Park Officer at the Wabmun Lake Provincial Park was presented to Council requesting that the County supply the Park personnel with four subscriptions to the Stony Plain Reporter.

It was agreed that this request be not considered as the County provides local newspaper subscriptions to County ratepayers only.

Letter dated August 20th from the Summer Village of Lakeview was presented to Council requesting that the County provide regular maintenance and snowplowing of roads in the Village.

It was agreed to notify the Village of arrangement in this regard and to provide these services at established rates upon the Village entering into the required agreements.

It was agreed to request the Department of Water Resources to conduct a drainage study and survey in Sections 31 & 32-51-26-4 and 36-51-27-4.

Offer of \$15.00 to cut hay on Block R1, Plan 4905R.S., in the NE 23-51-27-4 was received from Mr. Erwin Hennig of RR 5, Edmonton. Offer accepted.

Offer to purchase the E 30-53-2-5 for the sum of \$8,000.00 was received from Mr. S. G. Woodruff of Edmonton. It was agreed that this offer be not accepted and that these lands be sold by tender only.

By-law No. 34-71 providing for the closing of a portion of road plan 1729M.D. in the SE 3-30-51-2-5 received first, and second readings.

By-law No. 35-71 providing for the closing of a portion of road allowance adjacent to the

west boundary of the SW 29-51-25-4 received first and second readings.

Letter dated September 7th from Mrs. Dale L. Krinke of RR 5, Edmonton was read to Council requesting that the road from the north-west corner of Section 32-52-25-4, from Highway 16, south be named "River Valley Road".

It was moved to recommend to the Department of Highways and Transport that this road be named as requested. The motion carried with Councillor Bakker registering a negative vote.

TAX SALE

It was agreed that a Public Sale of Lands pursuant to the provisions of the Tax Recovery Act be held on December 15th, 1971 at 10:00 a.m.

It was further agreed that the reserve bid be set at five times the assessed value and terms of sale be cash.

By-law No. 36-71 requiring every nomination of a candidate for the office of Councillor in the forthcoming elections to be held on November 24th, 1971 to be accompanied by a cash deposit of \$25.00 received first, second, and by unanimous consent of the Councillors present a third reading and finally passed.

It was agreed that Mr. Allen Shenfield of Spruce Grove be appointed as Returning Officer for the forthcoming elections for the County of Parkland No. 31 to be held on November 24th, 1971.

Letter dated September 6th, 1971 from Mr. Leo Chartrand of Edmonton was presented to Council requesting to lease Lot R, Plan 2542R.S. in the SW 5-54-27-4 as he has acquired the adjacent lot.

It was agreed that this Park Reserve be leased to Mr. Chartrand for one year for the rental fee of \$25.00.

PLEBISCITE ON REGIONAL RECREATION

It was moved to hold a plebiscite to determine whether County ratepayers favour continued participation in the Parkland Regional Recreation Program.

The motion carried with Councillor Bailey and Bakker recording negative votes.

The meeting continued on Tuesday, September 14, 1971. Present were Reeve Leslie N. Miller, Deputy-Reeve Rudolph Zander, Councillors Peter Bakker, George Mann and Ivan Vowk.

Mr. B. F. Buckholz of Winterburn was present at the meeting and complained that a flooding problem exists on the N 20-53-26-4 as a result of some ditching that was done on the SW 20-53-26-4 some years ago.

It was agreed that this matter be inspected by the Public Works Committee.

Fifteen applications were received for the position of office clerk in Drayton Valley.

It was agreed that a committee consisting of Councillors Rudolph Zander, George Mann and Ivan Vowk and Secretary-Treasurer O. W. Schuster be appointed to screen the applications and interview a number of applicants.

Request for approval of right-of-way easements for a water pipeline was received from the Town of Drayton Valley.

Letter dated August 27th, 1971 from the Town of Drayton Valley was read to the Council requesting approval to acquire an interest in lands in the County pursuant to Section 127 of The Municipal Government Act by way of easements across the SW 14, S 15 & SE 16-49-7-5 for water pipeline right-of-way.

It was agreed that this approval be ganted.

It was agreed that the Reeve and Secretary-Treasurer be authorized to sign a transfer of the old municipal office property in the Town of Stony Plain to Decker's Insurance and Real Estate Ltd. upon receipt of final payment of the purchase price.

It was agreed that recommendation be made to the Minister of Highways and Transport, that the maximum speed at which vehicles are allowed to travel on Rosewood Avenue in the Rosewood Beach Subdivision, Plan 6111H.W., be set at 15 miles per hour.

Letter dated September 3rd from Mr. F. E. Magyar, District Engineer for the Department of Highways and Transport was read to Council suggesting that the 30 m.p.h. speed zone should commence at the east-west quarter line approximately 350 feet north of the school yard.

ALDER FLATS NEWS

Congratulations to Mrs. Vass and Steve Sesztak who were married Saturday, August 28th.

Mrs. Marion Hall and Shelly Hall and Mrs. Hazel Sargeant of Lacombe were out picking blueberries and visiting with the Dale Sargeants the last weekend of August. They brought Tamie home after she had spent a weeks holiday with her grandmother, Mrs. Hall. Visiting with the Sargeants the past long weekend were Dale's uncle, Pete Adams from Edmonton, and Dough and Ruth Johnson and family of Lacombe.

Mr. and Mrs. Lawrence Hoflin and family spent the holiday weekend at her mother's home, Mrs. Orr at Rosalind. Mrs. Orr brought Marion and the children home on Monday and Lawrence returned home on Wednesday.

Mr. and Mrs. Roy Nerdahl and family from Onoway spent the Labor Day weekend at the Pete Maciborsky's and did some blueberry picking while here.

Harold and Bernice Johnson attended his nephew Donald Johnson and Lois Simonson's wedding in Camrose on Saturday, September 4th.

A welcome to the new teacher Mr. Yunsik Han, his wife and their two year old daughter Anita.

The new grade one beginners this year are: Albert Beale, Patrick Elliott, Stuart Hare, Bonnie Hladilo, Daniel Janke, Denice

Johnson, Amy Maclean, Janet Miller, Tamie Sargeant, Travis Schneider, Annamarie Thomas, Cherryl Wachter and John Wennerstrom.

J. I. Seely, Grodon Foss and Leigh Miller spent several days during the holiday weekend trout fishing near Nordegg.

Steve Stefura and Pete Maciborsky left Friday morning for big game hunting in the Swan Hills area.

Mr. and Mrs. Art Speakman enjoyed a most pleasant holiday trip leaving here August 29th and arriving back home September 8th. First they stopped at Whitecourt and visited the Fred Cox's then on to High Level where they visited Johnny and Mary Jane Speakman and family and Wayne and Marlene Linnenberg and family. The Johnny Speakmans joined them on their journey to Fort Vermilion and Peace River ferry. On their way back they stopped at Kinuso visiting their other son Richard, Edna and family and Walter Vance and family. Then on to Edmonton to visit their daughter Sally. (Sally has a promotion to Department Head of Department 12 at Zellers).

Leslie Speakman from the Red Deer College was home for the weekend.

Ella, Dennis and Sherry Simon and Gladys and Linda Maciborsky and Dennis and Ruth Nelson attended the Instalation Services

at the Warburg Church the past Sunday. Rev. David Coryell and his wife Sharon have three girls ages four, two and six months, Collette, Anita and Heather. The Coryell's are from Lansing, Michigan. There were representatives from all the various Covenant Churches.

A welcome also to two other new families in the district, the McQueens and Al Clemmers.

Grand opening of the "Better Valu" Store was held from September 2nd to 4th. Winners of battery operated scissors were F. R. Foster, Sheila Wilson, Maryanne Maciborski, Mary Thomas, Irene Foss and Beatrice Malmas. Mike Woyotovich was the winner of the electric coffee pot.

MAIN STREET

The fellow who is pressed by high prices is lucky most of us have been taken to the cleaners.

Feed Outlook Remains Good

Despite declining prospects for export sales, the price outlook for the non-quota provincial feed market remains good, according to David Walker, marketing economist with the Alberta department of agriculture.

While the feed situation in Alberta is to some extent related to all grains and all classes of livestock and poultry, the feed balance is mainly dependent upon barley and oat supplies for cattle and hog feed. Except under unusual circumstances, wheat is not a competitive feed for cattle and hogs. Poultry consumption of these two types of grain is limited to small quantities of oats, and sheep and horse numbers are so small that they do not effect the situation.

Production, elevator deliveries and apparent utilization have increased substantially in recent years and a tight feed situation occurs when feed supplies at the end of the year decline to 1.2 million tons as is the case this year. Even though supplies at the beginning of the 1970-71 crop year were over twice as large as they were in 1967-68, there was still a tight feed situation.

Mr. Walker says the increase in production for the 1971 - 72 crop year is totally offset by a

smaller carry-over. Reduced prospects for elevator deliveries, projected at 2.7 million tons, leave available supplies for feeding of 5.9 million tons, or about 0.2 million tons less than last year and 0.9 million tons less than in 1969-70. In view of the fact that the apparent utilization of feed grains has increased by an average of 0.4 million tons a year over the last three years, an increase in projected supplies for feeding should keep the supply/demand situation tight.

While hog numbers in the province will probably decline to some extent, cattle numbers, particularly those on feed, may continue to increase. Apparent utilization of oats and barley is likely to be in the neighborhood of 5.0 million tons, leaving a projected on-farm carry-over at the end of the current crop year of about 1 million tons.

A carry over of this size is unlikely to result in continued pressure of feed grain prices, Mr. Walker says. With an 62 1/2¢ initial payment for barley, basis country elevators, and poor final payment prospects for barley, non-quota barley prices are likely to remain at or above 65¢ per bushel with the usual location variations. Non-quota oat prices are also likely to remain strong.

Coming Soon

THE ALL NEW DODGE PICKUP

FEATURES THAT PROVIDE COMFORT, CONVENIENCE AND SAFETY.

Easy Engine Accessibility

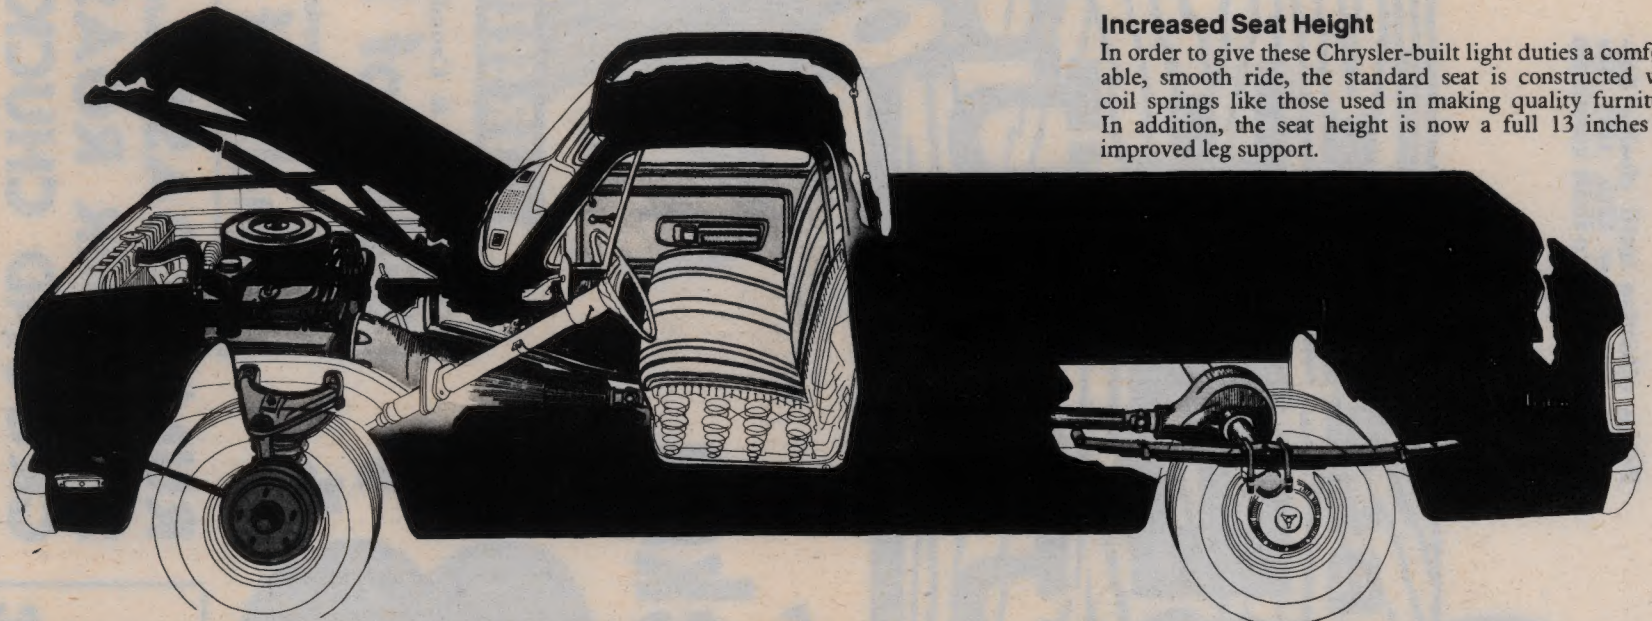

If you like to make your own minor engine adjustments and replace plugs and points when necessary, you'll appreciate the easy engine accessibility of the new Pickups. Plenty of room to work under the hood with all the parts most frequently worked on, located within easy reach.

Independent Front Coil Suspension (Conventional Models)

Independent front coil springs are strut-controlled and rubber isolated with shock absorbers concentric within the springs. Combined with a wide front and rear track, and a long wheelbase, it gives you a great ride and control.

Increased Seat Height

In order to give these Chrysler-built light duties a comfortable, smooth ride, the standard seat is constructed with coil springs like those used in making quality furniture. In addition, the seat height is now a full 13 inches for improved leg support.

Double Wall Construction

When we say we build tough trucks, it's more than just a fancy claim. The front to rear, bottom to top, double wall construction gives added strength to cab and box. Splash shields eliminate areas where corrosive materials could be trapped and cause rust. Galvanized steel, zinc-rich primer and vinyl sealers help too. A new convenience feature is the tie-down holes provided in the Sweptline stake pockets.

Sweptline Box Construction

How many times have you tried to slide a heavy object into the bed of your pickup, only to have it get hung up on a bolt head? That's not a problem with these new trucks from Chrysler. All bed bolts are out of sight. Box inner panels are ribbed for greater rigidity. Since box is of welded construction, it has no bolt-in panels like some other pickups. And there are no long coach joints that tend to rust.

Rear Leaf Spring Suspension

Coil springs are fine for a comfortable ride up front, but back where the payload goes, you have to have a suspension system that can take it. Asymmetrical leaf spring suspension does the job. It provides excellent stability and helps reduce sway and roll with heavy or high loads such as campers.

Wrap-around Taillights

These all new taillights are not only good looking but are a safety feature as well. They are recessed to protect them from breakage, and can be seen from the side at night and eliminate the need for separate rear side warning lights and reflectors.

New Steering Column Angle

The steering column and wheel have been lowered to give you passenger car like steering wheel location for added driving convenience.

HART CANTELON

Readers wishing to write to Mr. Cantelon are invited to do so. All letters to be forwarded to Hart Cantelon Counselling Services Ltd., 1600 Cambridge Building, Edmonton. Please include a stamped self-addressed envelope to ensure a reply.

Dear Mr. Cantelon:

I'm having a problem with the thinking behind "situation ethics". A young man I know systematically steals from a large food store. He regards this as his way of showing outward rebellion toward a system that allows a hierarchy of business to become rich and powerful. He doesn't really enjoy stealing and often feels very miserable after these forays. He keeps three welfare families in food by this means. He thinks of himself as a sort of Robin Hood. Has our society really reached this point where we can act like a Jean Val Jean in Les Miserables and steal for the needy and then try to avoid arrest. I'm inclined to feel that this is stealing, and therefore, wrong no matter what the circumstances.

Dear Concerned Friend:

The trick that situation ethics plays on you, is to push you toward a point-of-view whereby there is absolutely no objective truth of guidelines in life. In other words, you do what you think is right in any given situation and you can be very sanctimonious about it by saying that you are acting under the guise of love of God and of your fellowman. But this pretence that we humans are angels and that we always know how God would act in the name of His love. Jesus was the kind of person who might have been able to do this. Yet He did not dare to venture this kind of action. He said that along with the love of God goes the law and the prophets - or in other words the abiding guidelines of life. Your friend who steals for the poor is assuming a role that Jesus would never shoulder. Certainly, we are to help our fellowman, but we are to do so in such a manner that our action makes a happier life possible and does not end in chaos. What if everyone acted this way in our society? There could be no life for anyone. His action is so far removed from the situation Victor Hugo depicts in Les Miserables that it is almost funny, if it were not so ludicrous. Your young friend had better smarten up; return what he has stolen to the proper people before he finds himself in jail.

Dear Mr. Cantelon:

This is my husband's first marriage. I had four children by a previous marriage. We have one child of our own. There has been a lot of in-law interference. And now my husband is not welcome in his own home. My husband seems to have a hard time accepting my children. The boy, especially, will have very little to do with his Dad. He seems to cling to me. Yet he asks me so many times why Daddy never plays with him. His father has punished him severely in the past. The rest of the older children also complain about the lack of companionship from their father. Still my husband seems to resent it when the children come to me with their problems. He feels he should be included even on the very personal girl talks. Can we work things out?

Dear Concerned Mother:

The acceptance of a ready-made family is never easy for a man. It is likely that your husband was very close to his own family. This separation from them adds to the burden. What is more, it is a very delicate line that a parent must follow between discipline on the one hand and returning to the expression of affection toward the child on the other. Your husband needs to be helped to try to win over the children. It isn't enough just to provide the material things of life for them. Certainly, the family council is a helpful instrument, but your husband doesn't need to be on all the communications providing you keep him informed as to the attitudes of the children and how he can best play his role as father. I feel he will need help and I hope that if you suggest counselling to him, he won't feel that he's entirely to blame. Offer to go with him. Indeed the counsellor may require you both to come in together. If so, do so willingly and encourage him to seek help.

Finance Minister Launches Canada Savings Bond Campaign

OTTAWA -- Finance Minister E. J. Benson last week announced the terms of the 1971-72 Series of Canada Savings Bonds and launched a vigorous national campaign to promote their sale.

The 27th Series of Canada Savings Bonds will carry the following attractive features: an average annual yield of 7.19 per cent when held their full nine years to maturity; For the sixth consecutive year, a compound interest feature will provide for three extra interest certificates during the life of a bond; and a doubling of the former maximum amount per purchaser to \$50,000.

As with all past issues, the 1971/72 Canada Savings Bonds may be cashed at any time, at full face value plus earned interest. They will again be the most widely sold security in Canada, available for cash or by instalments at any bank branch and through authorized sales agents including investment dealers and trust and loan companies. Payroll plans permit most employees to buy Canada Savings Bonds by regular pay-cheque deductions.

With this year's compound interest feature, the purchaser of a \$100 bond will receive \$187 when it matures November 1, 1980 if he holds all coupons uncashed until then.

The interest rates for the annual coupons will be 5 3/4 per cent for the first year, 6 3/4 per cent for the second year, 7 1/2 per cent for the next five years, and 7 3/4 per cent for the last two years.

If an investor holds his \$100 bond and its first five regular coupons uncashed until November 1, 1976, a first Compound Interest Certificate becomes payable

on that date for \$5.00. Similarly, if the \$100 bond and the four remaining coupons are held uncashed until November 1, 1980, a second Compound Interest Certificate becomes payable for \$3.50. If he holds his bond until maturity without cashing any of the regular annual interest coupons or Compound Interest Certificates, a final Compound Interest Certificate also becomes payable for \$13.00. This brings the total proceeds at maturity of a \$100 bond to \$187.

Bonds of the new Series will be on sale from October 4 and will be dated November 1. Purchases may be made until November 15 at face value without paying accrued interest.

Interest payments, including those for compound interest, must be reported as income for

tax purposes. The coupons and Compound Interest Certificates may be reported either when they fall due or when they are actually cashed. Whichever option is chosen, the taxpayer is required to be consistent in reporting interest received from the new Series and from other issues of Canada Savings Bonds and similar securities.

Interest charges paid on the purchase of Canada Savings Bonds through the payroll savings plan or the monthly savings plan may be deducted for tax purposes. Accrued interest paid on purchases made after November 15, 1971 can also be deducted.

Money may not buy happiness, but it certainly lets you look for it in a lot more places.

WILDWOOD NEWS

The meeting of the Agriculture Society was held at the agriculture grounds September 8th at 8:30 p.m. It is planned to hold a bake sale on October 2nd at 1:00 p.m. in the library in the Civic Building. Donations will be appreciated. A supper and awards night will be held in the Wildwood Hall, October 29th. The Trophies will be on display in the Treasury Branch beginning of October. Next meeting at E. Vankoski's October 13th.

The T. B. Mobile Clinic will be in Wildwood Hall Annex beginning of October.

Mrs. Sam Capostinsky is now a Nutri Metics representative, starting with a party held in her home on September 9th.

Ladies Aid held their meeting September 5th at the home of Mrs. Patsy Willets with Mrs. Brownlee and Mrs. Payne helping serve a lovely lunch. Fifteen members were present and Miss Vicki Kostuk as a guest. The October 1st bingo was arranged, to be held in Wildwood Community Hall. Next meeting on October 20th at Mrs. George Finner's.

Mr. Oscar Anderson and Mr. A. W. Taylor are in Drayton Valley Hospital and Mrs. Wooley in an Edmonton Hospital. Hope you are all home soon.

Mrs. B. Benson was hostess to a Tupperware Tea at 10:30 September 14th. Mrs. Kulchysky of Edmonton was the demonstrator.

On October 4th in the Luthern Church in Drayton Valley Eale Benson, daughter of Mr. and Mrs. Burt Benson of Wildwood and Ron Astle, son of Mr. and Mrs. Ken Astle of Sherwood Park were united in marriage. The bride was radiant in a white floor length gown with a lace train and chapel veil. Matron of honor, Mrs. Carala Storch, sister of the bride wore a purple floor-length gown while Lynn and Faye Astle had mauve floor-length gowns. Little Dianna Benson also had long mauve gown - the ring bearer was a cousin of Ron's. The best men were Ed Storch and Cleaveland Benson. A reception for about 175 was held in Wildwood Community Hall catered to by the Ladies of the Royal Purple. The wedding cake was beautifully decorated by Mrs. Dora Carlson. Breton Orchestra played for the dance. The happy couple are residing at Fort St. John.

I hear, by the grapevine, that a Furniture Exchange Store is to open soon in Wildwood in the Theatre Building - we hope so as a vacant building always looks

so old and dreary.

I had a letter from Mrs. Francis (Geo.) Johnson of Clinton Creek, Y.T., telling of her and George's trip back to Wildwood the end of June. They travelled through Alaska, then a 36-hour ferry trip from Haines to Prince Rupert, then to Prince George and Yellow head highway to Wildwood. They visited relative and friends in Wildwood and Edmonton, then back on the Alaska highway which Francis said was much improved since she moved up to Clinton Creek last year. Their son Grant, 15 years old, went to Europe with a Boy Scout group for five weeks. They toured ten countries and had a marvelous trip. Francis and Louise Johnson (Akers) discovered Blue Berry Hill. They had never seen so many blue berries and their flavor, "is just out of this world". Francis planted cabbage and tomatoes which turned out real good so hopes for a bigger garden next year. Her flower garden was real good also.

Mr. and Mrs. G. Meyers have settled into their new home in Whitecourt and Clara's mother, Mrs. Woodley has gone to stay with her other daughter Mrs. Lawley at Gainford.

A new corner to Wildwood is Weldon Buckner, proud parents and Mr. and Mrs. Tom Buckners.

Miss Vicki Kostuk is home for a few weeks with her parents, Mr. and Mrs. Nick Kostuk. She will be going on a six month world tour. We all wish her a happy voyage.

Mr. and Mrs. Bakstaad are going on a trip to North Dakota to visit relatives that Mr. Bakstaad has not seen since he was in his teens.

Mr. and Mrs. Baron are moving their mobile home to Mrs. McCullagh's lot, where the house had been moved out to S. Brown farm.

October 13th will be village election day. There will be seven on the slate - Art Chemick, Gerald Ite, Don Moore and Helda Williamson are councillors with three new candidates, Violet Jorgenson, Ellaine Reid and Bruce Tindall. It will be hard to choose five out of these as it looks it will be a good council. A Mayor will be chosen from the five elected at first regular council meeting.

The library shelves have been started, so library will open as soon as shelves are up.

Lawrence Feldberg is again living in Wildwood.

Vada Parks is still in Calgary for check-up.

Mr. and Mrs. Alf Vankosky are now employed at Revelstoke Saw Mill near Fox Creek.

The Community Hall Board met Monday night, September 13th. Mrs. Bobby Wepshott read the minutes of the last meeting and financial statement. Plans were discussed for a storage room to be built on the north west corner, also to stucco the annex. New chairs are planned for in the near future.

Mrs. Violet Jorgenson and Mr. Joe Johnson shared the mini jackpot on September 13th at the regular Monday night bingo.

Fire Department General Meeting

The first general meeting was held on September 8th at 7:30 p.m. under the direction of the newly elected Fire Chief, Elmer L. Madsen.

Thirteen were present out of seventeen members. The fire department will be increased to a twenty member crew, serving the Town of Drayton Valley and the County of Parkland.

Mr. Tom Makey, an inspector from the Fire Commissioner's Office in Edmonton was the guest speaker of the evening.

Mr. Makey gave a brief outline of the Town By-laws governing the duties of the fire chief and the fire department's responsibility.

A general discussion followed with various items concerning the fire department and the Town By-laws, plus other items of interest to the firemen were discussed.

Area Towns Show Increases In Population

Statistics Canada is releasing results of the 1971 census as they become available and the latest, received last week, shows communities in our area still moving ahead slowly.

Evansburg has gone up from a population of 472 in 1966 to 527 at census time this year. Warburg has also shown an increase from 407 to 460.

In the eastern area Devon has risen from 1,283 to 1,465, while Stony Plain shows an increase of 375 since 1966 to reach its present total of 1,772.

Mr. Makey gave a few suggestions and pointers for the firemen in preparing for fire prevention week.

The fire chief gave a brief outline of items that the fire department will concentrate on during fire prevention week.

The fire chief also gave a brief outline of the new platform, that the fire department will be run

under. There will be a Fire Department Council, which will consist of the Fire Chief, Deputy Fire Chief, the three Crew Captains, one fireman from each crew and the Town Council representative. The council will meet once a quarter.

The Fire Department will have its general meeting the 1st Wednesday of each month at 7:30 p.m.

The three crews divided up to have one crew practice each of the three remaining weeks of each month.

COUNTY OF PARKLAND NO. 31

MALE HELP WANTED

The School Committee of the County of Parkland No. 31 invites applications for the position of Maintenance Supervisor for all buildings in the County.

The Maintenance Supervisor will be required to co-ordinate all building repairs in the County, supervise all janitors and repairmen and perform any other maintenance duties that the School Committee may direct. The School Committee is prepared to supply the successful applicant with a suitable vehicle for the job.

Please submit applications in writing giving a summary of qualifications, experience, age, marital status, salary expected and the names of at least two reliable references; preferably former employers.

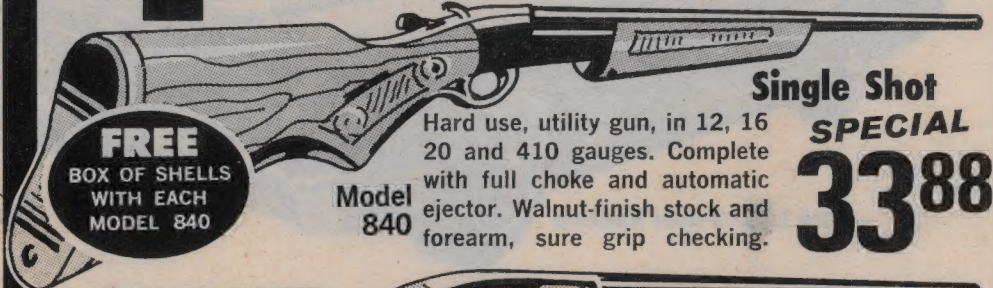

Applications should be submitted to the County Office in Stony Plain not later than 5:00 P.M. on Wednesday, September 22, 1971.

With harvesting progressing well, except for snow, rain, severe frost and cold winds; we felt we had enough information accumulated at our office that we should keep passing it on. There maybe "One" item in our weekly columns that is of no in-

terest to you whatsoever. If there is please let us know.

How well a combine performs is related to the rate at which crop material is passed through the combine. With all combines, regardless of size, as soon as rate of feeding increases to a certain level, there is simply too much material in the combine to allow complete operation -- therefore more grain is lost with the straw. The rate of overfeeding which overloads a combine is often difficult to establish as it depends on combine size and nature and condition of the crop. A combine may be overloaded long before plugging of the machine or lack of engine power is evident.

Losses can be charged to three main sources: 1) the cylinder, 2) the cleaner shoe, 3) the straw walkers. This does not include the loss which occurs at the cutter bar or pick-up. What are acceptable losses? At first the obvious answer may seem to be "None". Combining without loss is impossible even under ideal harvesting conditions. Considering all points of loss it may be difficult to detect until it reaches a level of between 2 and 3 percent. This may seem excessive when we realize this is approximately 1 bushel per acre in a crop yielding 33 bushels per acre. This percentage is often exceeded due to crop conditions and the way the combine is adjusted and operated.

Occasionally, harvest circumstances may warrant a larger loss. During a late harvest, when the question arises as to whether a crop can be harvested before winter, a much larger loss may be justified.

Special Note:
Farm Accounting Correspondence Course being offered through Olds College as part of adult education program. Twelve lessons are sent to the student by mail and he may complete the lessons at his own rate or time of study. Each lesson is corrected and graded, then returned with next advanced lesson. Students will receive and use the Prairie Provinces Farm Account Book. Further details available from this office.

D. V. Highlights

BY MRS. EDITH DEBY

Mr. and Mrs. Donald Clarkson and daughter, Leisl, of Edmonton were weekend guests of Mr. and Mrs. Frederick Jenkins. It will be remembered that Drayton Valley's first Mayor was a brother of Mrs. Jenkins and Mr. Donald Clarkson.

Mrs. Hubert Davidson is a patient in the local hospital. Get well soon, Esther. Your many friends and customers miss seeing you at your accustomed place in the drug store.

Mr. and Mrs. Robert Elliott are back after a fine summer of touring in B. C. On their way home they called on their former neighbour, Mrs. Edith Dunington, and found her well and in full knowledge of all the best places to find fresh fruit.

A wedding of interest to many of us took place here on Saturday, September 18th when Patricia Donna, daughter of Mr. and Mrs. Robert Annear, became the bride of Mr. Jock Hutchinson, son of Mr. Oscar (Jock) Hutchinson.

Very best good wishes for the future, Mr. and Mrs. Hutchinson.

Mr. Leo Look celebrated his eighty-second birthday on September 15th. Mr. Look came to this district in 1916 when it was still known as Powerhouse from the United States. He filed on his present farm as a homestead when registration fee was ten dol-

lars. Mr. Aaron Bennett and Mr. Roy Plotts came to the district at the same time. Mr. Look had one of the first cars in the district and was most generous to his less fortunate neighbours in providing transportation. Mr. Look tells us that he is looking forward to making his home in the Purple Pansy Senior Citizens Lodge as soon as it is built.

Very best good wishes for future happiness go to Mr. and Mrs. Robert Wolsey, nee Bonnie Kelly on the occasion of their marriage.

Mrs. Leslie Wall is making satisfactory progress after her operation. She is in an Edmonton Hospital.

George and Barb McLeod have had his niece, Mary Ann and Bill Ryan and family from Manning visiting there.

Congratulations to Melvin Becker who placed 2nd in the Derby at the Horse Races in Edson Saturday, September 11th. Brian McLeod was interred but didn't show. Both boys were riding horses owned by Paul and Dale Clemmer of Alder Flats. George and Barb McLeod attended the races at Edson.

Sandy, Wally and Sheldon Glenn, of Edmonton spent Labor Day weekend at George and Barb McLeods.

Congratulations and best wishes to Don Frickie and Rose Marceau on their engagement and forthcoming marriage, November 26, 1971 in the Ebenezer Church, Wetaskiwin.

Maxine, Jim and Kevin Bowles of Edmonton visited with her sister Barb and George McLeod recently.

Terry Prevost had an unfortunate auto accident on Tuesday morning. He was taken by ambulance to hospital in Drayton Valley where he was found to have a fractured collarbone and shoulder blade, and also required some stitches on his side. His brother Marty was kept in hospital overnight and also required a few stitches. Two other passengers from Drayton Valley were shaken up but not injured. Terry's car was overturned when he missed the corner and is in very bad shape. Best wishes to Terry on his recovery.

Sig, LeOpal and Teresa Larson motored to Kelowna and Peachland leaving Friday morning, September 10th and returning on Sunday the 12th. They visited her mother and dad, Mr. and Mrs. Russell Powers and also saw her paternal grandmother Mrs. Powers of Penticton. They brought back a car-load of fruit and tomatoes.

Wes and Ange Powers of Lacombe were recent visitors at his sisters, LeOpal and Sig Larson and family.

Yoga Popularity Continues to Rise

There are now literally thousands of Yoga classes being conducted daily throughout the North America continent and one may be wondering why it enjoys such popularity today. The answer for its popularity is found in its definition and in the exactness of its science.

Yoga is a method, a system of physical, mental and spiritual development. It is not a religion but is in fact being practiced by people of all faiths. Once one starts Yoga practices their influences soon become apparent in one's everyday life. You will begin to enjoy better health, sounder sleep, a keener mind and a more cheerful disposition. You will notice improvement in your figure, posture, vision and general appearances. You will start looking younger and feeling more alive.

Yoga exercises help remove impurities and obstructions so that nature may be given a chance to accomplish her task successfully.

Yoga postures tend to normalize the functions of the entire organism, to regulate the involuntary processes of respiration, circulation, digestion, elimination, metabolism and to affect the working of all the glands and organs, as well as the nervous system and the mind. Deep breathing aspect of Yoga is vital in the achievement of these aforementioned human conditions. One literally achieves balance and stamina through these exercises some of which are modelled after the movements of various animals.

The threefold area of concentration that will be offered to the citizens of Drayton Valley area who take part in the ten week course offered by drama instructor of the Drayton Valley Junior High staff, Paul Brady, through the recreation department will be posture, deep breathing and relaxation.

Also offered will be some sensitivity exercises which aids one

to become aware of himself, his neighbor and the world he lives in and will tend to neutralize some of our unfortunate inhibitions.

All those with sincerity in their hearts are welcome to take part in the ten week course and may register by phoning the recreation office in Drayton Valley.

Agility is not necessary, in fact the absence of some is a sign that Yoga exercises are a strong consideration point for taking the classes.

The finalizing of the time and place for these classes will depend heavily on the will of these taking the course. A suggested time is Monday and Thursday evenings, 7:30 to 9:00 p.m. One or two classes depending on the heaviness of the registration and the age groupings. Each class will be limited to a maximum of twenty-four.

Federation Rock Clubs Meet Here

Regular quarterly meeting of the Alberta Federation of Rock Clubs was held in Drayton Valley Sunday with representatives of seven clubs present.

Clubs represented were Ponoka, Rocky Mountain House, Leduc, Edmonton(2), Red Deer and Drayton Valley. The meeting got underway with a luncheon hosted by the Cadium Rock and Gem Club of Drayton Valley.

Plans were discussed for a rock display at Ponoka in June as well as the possibility of a field trip

by boat through the badlands in the Red Deer River Valley next summer. The clubs are also planning a tour of the Alberta Museum and Archives during October.

The Drayton Valley Club, although not very old, is making good progress and was well represented at the Sunday meeting. The next meeting will be held on October 13th when slides on crystals will be shown.

MR. ARNOLD PIERCE

Nome New Bandmaster

The 1971-72 season's first community band practice was held September 13th with the new Bandmaster, Mr. Arnold Pierce taking over. The band program appears to be off to a good start with practices slated for 7:00 p.m. Mondays in the Town Council Chambers.

Enquiries about joining the band may be directed to A. Lepp by phoning 542-4093.

The band committee is pleased to have Mr. Pierce from Calgary take over this year. He has had several years experience in band and choral work including assistance at Salvation Army Summer Band Music Camps. His major field of interest has been in piano.

His experience consists of accompaniment at concerts and providing incidental and dining music at meetings and conventions. Last year while attending the University of Calgary he majored in Trumpet.

The public will likely have an opportunity to hear the local band play some of his own arrangements later this season.

Mr. Pierce teaches music at the Junior and Senior High School.

DRAPERY FABRICS

Thinking of buying some new drapes? Or maybe you can't find exactly what you want and have decided to create an original? Whichever your choice, knowing some facts about drapery fabrics may come in handy.

COTTON -- drapes well and may be machine washed or dry cleaned. It will need ironing unless treated with a perma press finish. The color range, resistance to abrasion or fading is good but, it has a poor resistance to mildew or stretching and shrinking unless it has been treated. Cotton has a poor resistance to fire and it will gradually deteriorate from sunlight.

RAYON -- drapes well and must be dry cleaned unless labeled washable. The color range is very good and it is rated fair on resistant to abrasion. Its resistance to mildew, fire, fading, sunlight and stretching or shrinking is poor.

NYLON -- has a soft, smooth hand and may be dry cleaned or washed in lukewarm water. The color range is good and it resists stretching and shrinking. Resistance to abrasion, or mildew is very good and nylon will resist fading if the yarns are shiny. It will melt before burning, but loses its strength rapidly after long exposure to the sun.

POLYESTER -- drapes may be a crisp or soft hand depending on the blend and fabric construction. They may be dry cleaned or washed and require little ironing. The color range is fair and you will find them resistant to abrasion, mildew and stretching or shrinking. They tend to lose their strength after long sun exposure.

ACRYLIC -- drapes well and has a soft wool-like hand. Dralon is a new and popular trade name with little or no ironing when drip dried (no steam). Their resistance to mildew, fading, deterioration from sunlight and dimensional stability is very good. POLYVINYL CHLORIDE (PVC) -- has a soft hand and drapes well. This new drapery fabric is very like the acrylics and trade names are Polya and Scalon. It should be hand washed in lukewarm water and drip dried or given special treatment at the cleaners. It is the only drapery fabric available on the market today which is stated very good in all areas of color range, resistance to abrasion, mildew, fire, fading, sunlight deterioration and dimensional stability.

GLASS -- fibre is prevalent today in fibreglass drapes. It has a soapy feel and drapes poorly. The recommended care is hand washing with very gently agitation - do not dry clean. The color range is fair and resistance to fading is good. It has very poor resistance to abrasion and you've probably discovered the fabric wears through quickly where it has rubbed against the sill or the floor. Very good is the rating for resistance to mildew, fire, deterioration from sunlight and dimensional stability.

Have these facts on drapery fabrics helped you? You've probably gone down the list and decided "good buy" or "poor buy" depending on the fibre. Your choice will depend upon:

1. the location of the drapes - will they be on a north or south exposure or how much sun will they receive? Will they be over a heat register?

2. Cost is always an important factor, so you must decide how much you plan to spend and then decide on the fibre.

3. Length of use you wish to receive from them is a important consideration. If you want them for an extended period of time your best bet is quality even though the initial expenditure may seem costly.

If you would like a handy, reference guide for your files at home, contact the South Edmonton Office at 10426-81st Avenue, (433-8060) or Leduc County Building (446-2251) and ask for "All About Drapery Fabrics".

What is inexpensive to buy, economical to run and has room for all these monstrous children? Datsun wagon, of course.

Automatic option leaves one hand free to maintain order.

Excellent all round visibility with tinted glass and heated rear window defroster.

Datsun is tough.

The air won't be so polluted because Datsun's got emission control.

The vinyl upholstery stays looking good even after muddy feet and bubble gum.

The body and chassis are one solidly welded unit for maximum safety. The car doesn't rattle either.

And there is a lot more load space when you fold the rear seat down.

The wagon's got 5 doors so you can pile in extra stuff without messing up what's already there.

DATSUN is all you really need

At Datsun we build solid, reliable automobiles that meet every Canadian safety and pollution control requirement. But, because it's still nice to drive something you can love a little too, we make a choice of Datsun models...

...sedans, a fastback, a wagon, a pickup and even a GT sports car. Datsun is all the car (and all the cars) you really need.

BERRYMOOR NEWS

On Saturday, September 4th the United Church in Drayton Valley was the scene of a very lovely wedding when Miss Dianne Haight and Mr. Brian Shea exchanged wedding vows. The wedding was followed by a reception and a dance in the Elks Hall. Congratulations and best wishes go out to this young couple.

Mrs. Hanna Peterson of Winfield, B. C. is visiting in our area. She lived in Berrymoor a number of years ago and it is a real pleasure to see her again.

Mr. and Mrs. W. Joneson and family of Peace River spent the Labor Day weekend at their cabin in Berrymoor. While here, they attended the Haight, Shea wedding. Mr. Ruth Berry returned to Peace River with them for a visit.

With the passing of Mrs. Rhoda LaChance of Lindale we have lost another one of our old timers. Sincere sympathy to her husband and to all the members of her family. Funeral services were held for her at 10:30 a.m. on Monday, September 13th from the Catholic Church in Lindale.

Mr. Joe Nicholson of Red Deer and his sister, and Mr. and Mrs.

Jim Clarke of Breton visited at the home of Mr. and Mrs. Donald Martin one day last week. Mr. Nicholson and the Clarke's used to be Berrymoor residents and they were noticing the many changes that have come about in the years since they lived here.

Mr. and Mrs. Gary Lindahl have returned from a holiday spent in B. C. We understand that they found some very good fishing and travelled some very rugged trails into quite remote areas of that province. It must have been fun because they plan to return next summer.

KEEPPHILLS NEWS

Ellen and Roy Raymond attended a bridal shower for Ellen's sister, Linda Smith at Pickardville over the weekend. Linda will be married in October.

Sandy Porter of Red Deer spent a week with Mr. and Mrs. Lindsay Porter. They were joined by their son Keith for the weekend when he came to take his wife home.

Mr. and Mrs. Gordon Raymond spent a few days on the south shore of Wabamun lake, with their granddaughter, Donna and husband Keith Smith.

Della Tattersall entertained a few friends on September 9th in honor of her aunt Mabel Bryant's birthday with a birthday cake and coffee.

Mabel Bryant expects to move into a small home in Drayton Valley this month and will be near her son Gordon and his wife and family.

The cool, windy and showery weather has put a halt to grain harvesting, but farmers are still able to keep busy with silage.

Donna and Keith Smith are having their house winterized, a new well drilled and other improvements made.

Yoga Classes Considered

A course in Yoga and Sensitivity Training for ladies is proposed for the coming season. The course will likely be held in the school facilities on Monday and Thursday evenings. The instructor will be Mr. Paul Bradley who completed an Instructors' Training Course in Yoga and Sensitivity at the Drumheller School of Drama last summer.

All persons interested in this course please call the Recreation Office expressing your interests. Phone: 542-3440.

If enough interest is indicated the proposed course will get underway early in the autumn.

EVANSBURG AREA NEWS

Mayor Pleased With Interest In Nominations

Mayor Dompnier was interviewed after the close of the nominations Wednesday and stated, "I am pleased with the number of candidates who have offered their services. It is gratifying to see such interest in civic government administration. It is a record for Evansburg to have ten candidates to fill five vacancies."

The Mayor also stated this should bring life to civic politics, as interest in village affairs has been at a low ebb for a long time.

Nobody is sicker than the fellow who is sick on his day off -- except the fellow who wrote this.

Evansburg Kinsmen Launch New Season

The Evansburg Kinsmen Club has launched another year of activities with their first regular meeting of the 1971-72 season which was held September 14. Major activities of interest to the public which will be coming up this fall are the Kinstakes lottery, a Flea Market, and a Guest Night. The Kinstakes lottery proved to be very popular in its first year last year and the Evansburg Kinsmen Club is pleased to be able to participate again this year. Tickets will go on sale October 1st. Proceeds earned by the local club are used to support local activities such as minor hockey, baseball, cubs and scouts.

A new venture for the Evansburg Kinsmen Club this year is the Flea Market. This will be held in the arena on Saturday, October 9th. Flea Markets have become popular in other areas and the Kinsmen Club is enthusiastic about Evansburg's first-ever Flea Market. Proceeds from this activity will go to the Curling Rink Building Project. Watch for further publicity.

The Kinsmen Club will again this year extend an invitation to newcomers to Evansburg to attend the Guest Night which is scheduled for Saturday, October 30th. We have found that this event has provided a valuable opportunity for newcomers to get to know each other and the members of the Kinsmen Club.

The Evansburg Kinsmen Club is hosting this year's Zone Meet-

ing and Golf Tournament on the weekend of October 2nd.

The Evansburg Kinsmen Club received its charter in 1958 and is one of the more than 450 clubs in Canada. The newly elected President of The Association of Kinsmen Clubs is Bill Watson from Ontario.

Kinsmen Clubs across Canada promote fellowship and service to local communities through a wide variety of projects and activities.

EVANSBURG NEWS

An accident at the corner of Highway 16A and the Rochfort Bridge turn-off at Evansburg put two young Wildwood people in hospital with undetermined injuries and demolished both vehicles.

Approximately 105 graduates, parents, teachers and guests sat down to the graduation banquet at the Legion Hall recently, after which all went to the high school auditorium for the commencement exercises. Mr. J. Keast, Principal, presented the graduates with their diplomas. A dance followed.

We wish to congratulate Ted Bruner, now attending N.A.I.T., on winning another \$150 scholarship. This was given to him by the 4-H Club. Ted is taking Drafting Technology.

Mr. Mike Szauner, as foreman with a crew of eight men, erected the walls and placed the laminated beams at the curling rink in place in five days. The curling club wishes to commend these men for their efforts. A working bee will be out in full force to put the plywood on the roof on Sunday.

Perhaps some of you people have noticed the alpine building at the Historical Museum. The funds for this building were realized from an auction sale in the spring, and the building is all voluntary work under the leadership of Mr. Fred Croft and Mr. Carl Bjornstad.

Visitors around our town were, Mrs. Anna Otto, mother of Mrs. Locker and Mr. J. Otto. Mrs. Otto is a resident of the Senior Citizen Home in Stony Plain.

Mr. and Mrs. Jack Cowan of Chilliwack visited at Mr. and Mrs. D. Farrell's home.

Mr. and Mrs. Wayne Young and Bruce of Hinton were visitors at their parent's home. Mr. and Mrs. George Young. Mr. and Mrs. John Roth of Medicine Hat and Mr. Fred Lorenz, of Victoria were visitors at Mr. and Mrs. A. Lorenz's home.

Mr. and Mrs. D. Bowers returned from a holiday in the interior of B. C. Mr. and Mrs. Fred Croft are holidaying in Vancouver, B.C.

Mr. and Mrs. Ike Grant have been holidaying at Long Lake and points further north.

Mr. and Mrs. Eric Proehl of Vancouver Island and son Bert of Fox Creek were visitors at the home of Mr. and Mrs. Alfred Proehl.

Best wishes for a speedy recovery to Mrs. John Kossowan who has been a patient in the Drayton Valley Hospital. We are also pleased to see Mrs. Blanche Bruner home again after a lengthy stay at the hospital.

Congratulations to Mrs. Mike Boychuk on winning the Jackpot of \$100.00 at the Legion Bingo last Tuesday.

United Church services will be 2:30 p.m. September 26th and will be held at that same time during the winter months.

Mr. N. Aspeslet, Mr. G. Coulombe and Mr. G. Dompnier spent the weekend in Edmonton taking the Christopher Leadership Course.

At the recent draw for the Early Bird "Windfall" draw by the St. Elizabeth Parish Council the winner was Father Louis Seratti of Edmonton.

The air you breathe, is the life you have. Keep it clean.

Construction progress at the new Evansburg Curling rink is shown above.

ENTWISTLE NEWS

The O.O.R.P. opened for another year with twelve members present. There will be a O.O.R.-P. bingo on September 30th in the Elks Hall starting at 8:00 p.m. The Entwistle Elks are going to have another winter of whist drives which will start on October 2nd. They will start at 8:30 p.m. in the Elks Hall. Everyone is wel-

come. These whist drives will be on the first and third Saturday of each month, so the next one this month will be October 16th.

The Community League held a Bake Sale, Tea and White Elephant Sale on Saturday, September 11th which turned out real well. The winner of the hamper was Ivy Anderson. The board members wish to thank all those who donated in any way.

The polaroid camera that was raffled by the Curling Club during the summer was drawn for recently and was won by Mr. Rennie from Saskatchewan.

The Entwistle School enrollment is now 228 and some of the teaching staff has been changed. Mrs. D. Korpan has gone to Spruce Grove and Miss Irene Conway has been transferred from Seba Beach, and we are very pleased to have her. The Home and School will be held on September 22nd and the following meetings will be the second Wed-

nesday of each month starting in October.

Legion Holds Shuffleboard Tournament

On Saturday, September 11th Drayton Valley Legion members and guests enjoyed a successful shuffleboard tournament. Winners were: "A class", Amy Oscar and Stan Govinan; and "B class", Brenda Thompson and Curtis Fagervold.

Non-shuffleboard players enjoyed cards and a rousing old-time sing-along to music supplied by Mrs. Marie Wheat, a guest from Robb, Alberta.

Snacks and refreshments were served in the lounge.

The next tournament is planned for Saturday, September 25th.

BRIGHTWOOD NEWS

Our sympathy goes to Mr. John Treit and family on the passing of Mr. Treit's mother, Mrs. Julia Treit of Edmonton on September 6th.

We also extend our deepest sympathy to our neighbor, Mrs. Carnegie and her children on the sudden passing of her husband and dad.

Best wishes go to Mr. Albert Lalonde on his birthday, September 10th. Happy half century dad.

The farmers haven't had time for much news making the past few weeks as they've been busy finishing the haying which is late this year, so that they can get started on the swathing and binding.

We had a bad frost the other night and most of my garden is finished. This seemed to surprise many as most gardens haven't been touched or only slightly touched.

Back to school has been a relief to many a mother including myself. Last year there were two buses; one going to Seba Beach High and the other to Entwistle Elementary. This year our high school students are being transported on the Entwistle Elementary bus with the younger ones and then are transported over to Evansburg High School. It's finally beginning to look like we'll be getting the new high school at Evansburg.

We have a new bus driver this year who is replacing Mr. Forecast who has retired, Mr. Cowie, the Community Church minister.

LIBRARY NEWS

The following titles are offered for your consideration: "Lighter Than a Feather" by David Westheimer. Westheimer has written a story based on the assumption that the atomic bomb had not been dropped and the Japanese had been invaded by the allies. The writer of "Von Ryan's Express" has written another gripping tale.

"Prize Stories of 1971 The O. Henry Awards" is a collection of seventeen winning short stories from Doubleday. Edited by William Abrahams the stories are written by Florence M. Hecht, Buy a Cardwell, Alice Adams, Reynolds Price, Julian Mozer, and have appeared in American magazines.

"On the Shady Side" is the fiftieth book written by the well known author, Frank Swinnerton. "On the Shady Side" is called a novel but it has an element of mystery and suspense dealing as it does with a murder.

A book on NATO should be of use to persons seeking information on the subject.

LINDALE NEWS

A large crowd gathered at the Lindale Catholic Church on Monday morning, September 13th to pay final respects to Mrs. Rhoda Lachance, a long time resident of Lindale. Rev. Father Kaluzny of Calmar, officiated, and interment took place in the Lindale cemetery.

Get well wishes go out to Norman Phillips who is a patient in the Drayton Valley hospital after being in contact with the power take off.

A bridal shower for Cheryl Hernberg will be held at the home of Mr. and Mrs. Bill Shipton on Monday, September 20th at 7:30 p.m. Cheryl will become the bride of Ron Hall in October.

There are still tickets available on the heifer (or \$180.00 cash) to be raffled at the social and dance to be held in Lindale Hall on October 1st.

Mrs. Rita Wild of Rocky Mountain House is a patient in Breton.

COUNTY OF PARKLAND No.31

PUBLIC NOTICE

TAKE NOTICE that the Council of the County of Parkland No. 31, in the Province of Alberta, has given first reading to money By-Law No. 32-71 which will, on final approval and ratification, authorize the County to borrow monies by way of debenture to pay the County's share of the additional cost of constructing a water transmission pipeline to serve the County of Parkland No. 31, the Town of Stony Plain and the Town of Spruce Grove.

THE estimated total cost of the aforesaid project, based on the lowest acceptable tender received by the Minister of Public Works for the construction of the project, is One Million, Two Hundred and Seventy-Five Thousand (\$1,275,000.00) Dollars. The County has already by money By-law No. 4-71 authorized the borrowing of Three Hundred Thousand (\$300,000.00) Dollars, to cover its share of the cost of the project. The County requires to borrow an additional Seventy-Five Thousand (\$75,000.00) Dollars to cover its share of the re-estimated cost based on the said tender. The Minister of Public Works has agreed to defer collection from the County of Parkland No. 31, the Town of Spruce Grove and the Town of Stony Plain One Hundred and Fifty-Thousand (\$150,000.00) Dollars of the amount of the cost of construction. The County of Parkland No. 31, the Town of Spruce Grove and the Town of Stony Plain will each require to pay for one-third of the balance of the estimated cost of the project, that is to say, will each require to pay Three Hundred and Seventy-Five Thousand (\$375,000.00) Dollars.

ACCORDINGLY, the County proposes to borrow an additional amount of Seventy-Five Thousand (\$75,000.00) Dollars on the credit and security of the municipality at large by the issue of debentures to finance the County's share of the additional cost of the aforesaid project. The debentures are to be repayable to the bearer in Twenty-five (25) annual instalments of principal and may bear interest at a rate not exceeding Ten per cent (10%) per annum payable annually.

NOTICE THEREFORE is hereby given by the Council of the County of Parkland No. 31 that, unless a poll of the proprietary electors for and against the said debenture borrowing is demanded, as provided for by the terms of The Municipal Government Act, the said Council may pass the said By-law and submit it to the Local Authorities Board for final ratification and certification that a vote of the proprietary electors thereon is not required.

OF WHICH all persons interested are hereby notified and they are required to govern themselves accordingly.

NOTICE TO PROPRIETARY ELECTORS

PROPRIETARY ELECTOR MEANS:

- a person whose name appears on the assessment roll in respect of land liable to assessment and taxation for general municipal purposes, and
- a person who is liable on or after January 1st, 1972 for the payment of a mobile unit licence.

Ten per cent (10%) of the proprietary electors may by petition request a vote on a money By-law under the provisions of Sections 311 and 7 of The Municipal Government Act.

- The Petition must be received by the municipal secretary within fifteen (15) days of the last publication of this notice and shall contain on each page an accurate and identical statement of the purpose and objectives of the petition.
- Each signature to the petition shall be witnessed by an adult person who shall take an affidavit that to the best of his belief the persons whose signatures he has witnessed are qualified to vote at a general election.
- There shall be set out opposite each signature on the petition --
 - the legal description of the property or other qualifications entitling that person to be a proprietary elector,
 - the postal address of the petitioner,
 - the occupation of the petitioner.
- A corporation or a church or other religious organization or an estate, the name of which appears on the last revised assessment roll as the owner, conditional owner or purchaser of land that is not exempt from taxation, may in writing authorize a resident representative to sign a petition on behalf of the corporation or church or other religious organization or estate, as the case may be.
- The petition shall be filed with the municipal secretary who shall, in accordance with the Act, compute the number of petitioners that have signed the petition and determine the sufficiency thereof.
- Every petition shall have attached to it a signed statement of a person whose name appears upon the petition, stating that he represents the petitioners and that he is the person to whom the municipality may direct any enquiries with regard to the petition.
- No name shall be removed from the petition after it has been received by the municipal secretary.
- If two or more money By-laws are advertised in a single notice, a separate petition shall be filed with respect to each By-law on which a vote is requested.
- The date of the last publication of this Notice is September 28, 1971.

NOTE: If on receipt of a valid and sufficient petition the Council decides not to proceed with the By-law, a vote of the proprietary electors need not be held.

MARSH WORLD by ANGUS SHORTT Ducks Unlimited

WOOD DUCK (Aix Sponsa)

The drake is our most beautiful duck, with large graceful crest. His plumage is a combination of metallic, rainbow hues of green, blue and bronze, the head with a striking white pattern. The female has a small crest and her plumage is a mixture of grey, brown and green. Tree cavities are favored nesting sites but nest boxes are widely used. Preferred habitat is the wooded shore of marshes, lakes, and rivers.

Lunch was prepared by the School's Home Economics students and served by the Stony Plain Parent-Teacher Association.

First Meeting Ladies' Club

Emmaus Lutheran Ladies' Aid held their first meeting after the summer recess with eleven ladies present.

On Sunday September 26th, 11:00 a.m. the Legion Hall will be the place for a combined Mission Festival for Drayton and Tomahawk. All ladies bring either sandwiches, squares or cakes and pickles.

Mrs. Rachel Anderson will help Mrs. Peggy Tyler on the U.N.I.-C.E.F. program this year and we hope good support on this worthy project for the need is great. Ours have so much and others have none.

Clothes have been packed by Mrs. Anna Marie Nickel for World Relief and some go to Luth-er House in Wildwood.

Attendance Poor for Good Race Meet Here Saturday

The Lariat Race Meet held at the Lions Park on Saturday, September 18th was successful in so far as entries and top notch running horses was concerned. The spectator attendance was pathetically poor for so popular a sport but hopefully through raffles and other social events the Club will get back on its feet and try again in 1972. Any assistance would be greatly appreciated.

Results of the races were as follows:

5/8 MILE THOROUGHBRED

Grin Fizz owned by Len Long of Edson and ridden by Lyle Pambrun won the trophy donated by T M Electric and a \$95.00 purse with a time of 61.8; Cactus Joe owned by Orville Strandquist of Stettler and ridden by Herbie Oliver won \$75.00 second; and Lawn War owned by Tom Dorchester of Westeros and ridden by Marvin Stewart won \$38.00, third.

1/2 MILE RELY

Jack McKellar entry of Swan Hills with Jack McKellar and Sherry Schmidt riding won \$15.00 first; Moonshine Appaloosa entry of Violet Grove with David and Scott Meston riding won \$10.00, second; and Dale Clemmer entry of Alder Flats won \$5.00, third.

1/2 MILE OPEN

Dollar Spots owned by Orville Strandquist of Stettler and ridden by Herbie Oliver won \$75.00, first; Prince Bold owned by Tom Dorchester of Westeros won \$45.00, second; and Autumn Sun owned by Pambrun Bros. of Edson with Glen Pambrun riding won \$30.00, third.

3/8 MILE (2 & 3 year olds)

Lustrous Fleet owned by Don McIntosh of Ponoka and ridden by Marvin Stewart won \$75.00 and the trophy donated by Milt McMahon Bulk Sales Ltd. with a time of 38.4; Cactus Lil owned by Bruce Whitelock and ridden by Sherry Schmidt won \$45.00, second; and Fairation owned by Loma Long of Edson and ridden by Lyle Pambrun won \$30.00, third.

SLOW HORSE RACE

Lucky owned by Tom Dorchester of Westeros won the trophy donated by D & D Shell Service Ltd.; Spook owned by Ed Lauer of Drayton Valley won second; and Rusty owned by Jack McKellar of Swan Hills won third.

1/2 MILE STOCK HORSE RACE

Sir Flyer owned by Orville Strandquist and ridden by Herbie Oliver won the trophy donated by Jensens Auto Body Shop and \$45. with a time of 54.5; Ellie May owned and ridden by Sylvia Shirley of Edson won \$27.00, second; Red owned by Tom Dorchester of Westeros and ridden by Ross Johnstone won \$18.00, third.

1/4 MILE OPEN

Lawn War owned by Tom Dorchester of Westeros and ridden by Marvin Stewart won the trophy for the best time of races 7 and 13 with a time of 24.4. Trophy donated by Imperial Oil and \$45.

prize money; Brown Stormy Sue owned and ridden by Jack McKellar of Swan Hills won \$27.00, second; and JA Bar Tom owned by A. B. Wiancko of Rimbey and ridden by Sylvia Shirley of Edson won \$18.00, third.

LADIES' BARRELS

Zinnra owned by Pambrun Bros. of Edson and ridden by Brenda Hird won the Pankys Enterprises trophy with a time of 17.2; Red owned by Tom Dorchester and ridden by Joyce Muller, second; and Penny Owned and ridden by Mary Lauer, third.

1/2 MILE OPEN

Cactus Joe owned by Orville Strandquist of Stettler and ridden by Herbie Oliver won the trophy donated by Anchor Construction Ltd. for the best time of races 3 and 9 with a time of 50.1 and \$75.00 prize money; Lustrous Fleet owned by Don McIntosh of Ponoka and ridden by Marvin Stewart won \$45.00, second; and Gar War owned by Tom Dorchester of Westeros and ridden by Don Stewart won \$30.00, third.

1/4 MILE PONY (13-2 hands & under)

Super Jet owned by Pambrun Bros. of Edson and ridden by Glen Pambrun won the trophy donated by Anchor Construction and \$20. with a time of 27.7; Patches owned and ridden by Allan Stewart of Drayton Valley won \$12.00, second; and Mia owned by Walt Meston and ridden by Scott Meston of Violet Grove won \$8.00, third.

1/2 MILE PONY (14-2 hands & under)

Ellie May owned and ridden by Sylvia Shirley of Edson won the trophy donated by Valley Concrete and \$40.00 with a time of 53.1; Zinnra owned by Pambrun Bros. of Edson and ridden by Glen Pambrun won \$24.00, second; and Smokey owned and ridden by Murray Reich of Tomahawk won \$16.00, third.

Ltd. and \$140.00 prize money; Grin Fizz owned by Len Long of Edson and ridden by Lyle Pambrun \$84.00, second; and Abrum owned by Tom Dorchester of Westeros and ridden by Marvin Stewart \$56.00, third.

Winners of the Derby ticket draw were: Frank Menysak - \$50.00; Charlie Miner - \$30.00; and Richard Mohr - \$20.00.

Many thanks to the trophy donors, Gordon Thomas for the use of the tractor on the start gates, Bruce and Cliff Whitelock and Ken Stewart for the use of the start gates, Pat Jenkins for taping the Call to the Post, to the many members who worked so hard before and during the meet and a special vote of thanks to President Lawrence Duperron and his wife Evelina who did more running than all the race horses put together.

Get well wishes are extended from the Lariat Club to Colleen Beckett who had the misfortune to come off her Derby horse and is in the University Hospital in Edmonton.

Church Plans Family Nights

Starting Tuesday, September 28th the Church of God will be holding "Family Night" every Tuesday evening from 7:00 - 8:30 p.m.

There will be a group for every age; Nursery through Primary's; Caravan; Youth Fellowship; and Adult Bible Study and Prayer. Singing - Bible lessons - crafts - puppets - flannelgraph - filmstrips - A warm welcome to all!

One hundred years ago grammar schools were required by order to take daily weather observations.

It's fire loss scoreboard time again.

On the average we have 5,000 or more fires per year in Alberta that amounts to 14 fires per day. More than half of them are in dwellings and apartments. We like to know what the score is the week before and during Fire Prevention Week which this year is October 3 to 9.

In order to get this we need to have a report by telephone to our district offices of every fire that occurs in Alberta during the two week period, September 20 - October 9. Individual property owners, of course, report immediately to the fire department and call for help, but Fire Chiefs we ask to report on: (a) the time of fire; (b) the location of the fire; (c) the type of property burned; (d) the cause of fire; (e) the amount of the loss; and (f) injuries, if any to their closest district Fire Commissioner's Office and these are the phone numbers: Lethbridge - 328-4471; Calgary 268-8324; Grand Prairie - 532-5144; and Edmonton 229-3902.

It is requested that chiefs or any person reporting a fire, report before 9:00 a.m. each day except Sunday. Saturday and Sunday fire losses are to be reported on Monday a.m. We can hope for a fire free day, but never willing to bury our head in the sand, with your help we can keep Albertans informed on the fire scoreboard.

FROSTCLEAR* 10 Year Golden Warranty

DID YOU KNOW?

That the compressor is the most expensive item in a refrigerator to replace or repair? That GIBSON GUARANTEES the motor compressor on all "FROSTCLEAR" refrigerators for a period of 10 years.

But the TEN YEAR WARRANTY, also points out something else: GIBSON has a great deal of confidence in the materials, parts and workmanship which could, over a period of years, put a greater workload on the compressor if they were not functioning properly. Things like the insulation, cooling coils, fans, evaporators, thermostats, relays and timers.

The purchase of a GIBSON FROSTCLEAR* refrigerator is your assurance of trouble free continuous operation. GIBSON realizes that a Happy Customer for 10 long years is a tremendous asset.

ANNOUNCEMENT

Mr. and Mrs. Carl Gusek of Drayton Valley are pleased to announce the forthcoming marriage of their daughter Linda Lea to Mr. Kenneth Hopfe, son of Mrs. Irene Hopfe of Drayton Valley. The wedding will take place October 23rd, 1971 at the United Church.

What is the difference between primitive and modern men?
When a wife talks too much, a modern man goes to his club. A primitive man just reached for it.

CARD OF THANKS

We wish to express our thanks to Dr. Lewis, Dr. Belcher and the nursing staff, who were all so very kind during the illness and at the death of our mother and grandmother, Mrs. Tillie Smith-insky. The help and kindness of our friends in our time of sorrow was greatly appreciated.
Harold, Lillian, Pauline and Joyce, George, Petra, James, Steve and David.

I would like to thank the person who sent the picture of Howard in the mail recently. It is an excellent picture and I would appreciate you contacting me.
Eleanor Pickup.

We wish to express our sincere thanks to friends and neighbors who sent cards and messages during our recent bereavement on the passing of our father William Herbert Burrows of Cornwall, England.

RENO NEWS

Joan Durant spent a few days in Edmonton recently after attending the funeral of her uncle there. Her cousin, Mrs. Joycelyn Durkson and her two daughters of Edmonton spent the weekend with them.

Elaine Tenzer of Edmonton spent her annual holidays with her parents, Mr. and Mrs. Steve Tenzer.

Ron and Shane Morosse of Edmonton are making their home with their uncle, Mr. Albert Morosse and are attending school in Evansburg.

Seen around town was the very chic looking Miss Joan Yasinchuk who is now residing and working in Prince George but is spending part of her vacation visiting with her grandparents, Mr. and Mrs. John Tudge.

Dianna Court has returned to Edmonton to resume her studies.

Mr. and Mrs. Raypold have had their house moved into Evansburg near the Evansburg School after selling their farm recently.

Miss Hannah-Laura Richter was a member of the 1971 graduating class which held their graduation exercises at the Evansburg High School on September 4th.

Reno Hall will be holding its next dance in October - watch for the announcement date.

The University of Alberta's department of extension has announced that Alberta Soil Survey Report No. 27 is now available for distribution. It covers the area between Whitecourt and Barrhead in townships 58 to 63 of ranges 1 and 14 west of the fifth meridian. The report cost \$2 and can be obtained from the department of extension, University of Alberta, Edmonton.

respect to research in those areas with which the Foundation is concerned.

Rather than sponsoring basic research into such things as Cancer or Heart Disease, the Foundation will support research into the provision of health care to Albertans. It is hoped that research will identify the areas of greatest need so that the necessary adjustments can be made.

The Foundation is a granting agency only and will not conduct research projects of its own.

In addition to the funds already available the Foundation will seek gifts and donations from interested people and organizations provided such donations fall within the scope of interest of the Foundation. To date an additional donation has been received from the Alberta Medical Research and Education Foundation.

Friendship Tea Planned

The United Church Women of Drayton Valley wish to announce that as a part of their activities program they hope to get the newly arrived persons more easily acquainted with the people of the community. For this purpose they are organizing a "Friendship Tea" to be held on Saturday, September 25, 1971 in the lower part of the United Church from 2:00 p.m. to 5:00 p.m.
